# Cable Management Done Right

We provide the highest quality, personalized service to our customers in a constructive, cost efficient and timely manner. Established in 1989, our core products are Cable Management, Copper Cat5E/Cat6 and Pre-terminated Fiber Cables. We have developed a quick and easy cable labeling system called Unitag®, a space saving equipment rack bracket called RackOrganizer® and labor saving custom straps for a major server manufacturer.

If you are a past customer - THANK YOU. If you are new to our company, why not give us a chance? We personally guarantee that you will be satisfied; and if not, we offer a 100% money back guarantee. It's that simple.

Thanks again for the opportunity to earn your business.

## Pre-terminated Fiber Cables

Our 50/125; 60/125 Duplex Multimode (MM) and 8.3/125 Singlemode (SM) fiber optic cables are constructed of the highest quality components and are covered by a one-year warranty. These fiber optic patch cables feature 2 mm (optional 3mm) OFNR zip-cord jackets. Our fiber optic cables are functionally tested to guarantee top performance upon delivery. Custom lengths, custom colors, connector combinations and polishes are available. Contact us today for details.
